

**Nominating Committee Report
Presbytery of North Central Iowa
Presbytery Meeting
November 4, 2018**

Members: Gordon Moen, Sally Davis, Austin Hill, Justin Ache, Jan Schwab

The committee has held two meetings as we begin the work of completing the slate of nominations for the Class of 2021 and other openings in the presbytery. We are pleased with the response we have received to this point. We are down to our last few positions with a goal of having all positions filled in time to be included in the packet for the November 4, 2018 Presbytery meeting. If you have someone that you think would be interested and has certain gifts that would serve the Presbytery well, please contact one of the committee members.
