\*We are willing to work with you on these cancellation fees, based on time, reason & airline policies, or use \$ to next years' trip

Checks are the best and preferred method of payment. Checks are made payable to Project 52, Inc. and mailed to Lynn & Deanna Arends (see below). If you are having sponsors contribute to your trip, please have them make the check payable to Project 52, Inc. so they may also get the appropriate tax credits. This is important for documentation and for receipting purposes. They accept Credit Cards (Visa, Mastercard, Discover and American Express) but there is a 3% processing fee.

Contact your family doctor or other travel clinic of your choice to discuss any immunization shots that you may require and have a medical check-up. Ensure that you have a **VALID PASSPORT WITH AT LEAST 6 MONTHS** remaining **AFTER** your return flight. If a passport is needed or your passport needs to be renewed, **BEGIN THE PROCESS ASAP**. Passport applications may be obtained from the post office or online at <http://www.prioritypassports.com>. **DO NOT** put this off. **PLEASE GET IT DONE!!!!!!**

**We will be doing construction work on the trip**, lots of concrete & block work, hopefully continuing work on the 6 room medical clinic P52 is funding, along with any other work needing to be done, based on the ability of the team. In the past we have built homes & churches, a water purification plant, vocational schools, done painting and had crafts with kids. This IS NOT a “witnessing-type” mission trip, our “witnessing” is sharing God’s love through our work and relationships with the DR people.

***There is always a job that can be matched to your talent and ability, all you need is a servants' heart!!!***
